**CHRISTIAN AGE**

# THE OLIVET DISCOURSE

**3 Questions:** 1) When will Temple be destroyed? 2) What is the sign of the end of the age? 3) What is the sign of thy coming?  
**Matthew 24 and 25** **Luke 21**

24:4-6 There will be wars...but the end is NOT YET

vs.7-14 The beginning of Israel's travail. Global warfare, famines, pestilence, earthquakes. Israel saved when invaded by Russia and Muslims. Hated of all nations for Jesus' sake as 144,000 Jews preach Gospel of the kingdom in all the world. The seal and trumpet judgments fall.

24:15-20 Antichrist moves into the Temple and sets up his idol; the "abomination of desolation". Israel flees into wilderness

24:21-28 Great Tribulation as Antichrist demands worship. The **vial (bowl) judgments** poured out and human life in danger of extinction. False Christs.

24:27-31; 25:1-30 Christ returns and smites the nations. Sun and moon darkened and nations mourn. Israel (God's elect nation) is regathered. **Three signs:** Conversion of Israel (fig tree), days of Noah, and missing persons. **Three parables** are warnings to Israel to be ready: The 10 Virgins, the faithful servant, and the talents.

25:31-46 All surviving nations gathered before the throne of glory. The saved Gentiles (sheep) inherit the kingdom and the unsaved Gentiles cast into the lake of fire

This

Second  
Half of the  
Tribulation

Second  
Advent of  
Christ

After  
Christ  
Returns

70th week of Daniel

7 years - the end of the age

21:8-9 There will be wars...but the end is NOT YET. 21:12-24 But BEFORE all these (Tribulation), Apostles persecuted, Jerusalem besieged and destroyed. Jews scattered till times of Gentiles fulfilled (2nd Coming).

21:10-11 Global warfare, famines, pestilence, fearful sights and great signs in the heavens

21:25-26 Signs in sun, moon and stars. Distress of nations, sea and waves roaring. Men will fear as the powers of the heavens are shaken.

25:27-36 Christ returns visibly in a cloud. When Israel sees these things begin to come to pass they are to look up, their redemption is near. The generation that sees the Tribulation will see Christ return therefore watch because it will be like a snare on whole earth.

### EXPLANATORY

THE CHART IS AN ATTEMPT TO COMPARE THE MESSAGES TO THE SEVEN CHURCHES OF ASIA MINOR, WITH 19 CENTURIES OF CHURCH HISTORY, TO SEE IF THERE IS ANY CORRESPONDENCE BETWEEN THEM, AND THUS PROVE THAT THE MESSAGES TO THE SEVEN CHURCHES ARE PROPHETIC OF SEVEN PERIODS OF CHURCH HISTORY THAT WERE TO FOLLOW EACH OTHER IN REGULAR ORDER. A CAREFUL STUDY OF THE CHART WILL SHOW A WONDERFUL CORRESPONDENCE BETWEEN THE TWO. THIS IS BROUGHT OUT IN THE CHAPTER ON THE MESSAGES TO THE SEVEN CHURCHES.

THE CHART SHOWS THE CHURCH OF THE 'FIRST-BORN' IN ITS COURSE DOWN THE CENTURIES AND FINALLY TAKEN OUT, LEAVING THE REMAINDER OF THE PROFESSING CHURCH TO PASS INTO THE 'SEA OF APOSTASY' AND BE SWALLOWED UP BY THE REVIVED PAPAL CHURCH. THIS IS SEEN IN THE INCREASING BLACKNESS OF THE STREAM AS THE TIME APPROACHES FOR THE EXIT OF THE CHURCH. THE RELATION OF THE JEWS AND MOHAMMEDANS, AND VARIOUS RELIGIOUS CULTS TO THE RELIGIOUS HISTORY OF THE AGE IS ALSO SHOWN ON THE CHART.

## JESUS TEACHES HUMILITY

John 13:1-20.

**GOLDEN TEXT:**—A new commandment I give unto you, that ye love one another; even as I have loved you.  
John 13:34.

**Isaiah 21:10-12**—O my threshing, and the corn of my floor: that which I have heard of the Lord of hosts, the God of Israel, have I declared unto you. 11 The burden of Dumah. He calleth to me out of Seir,

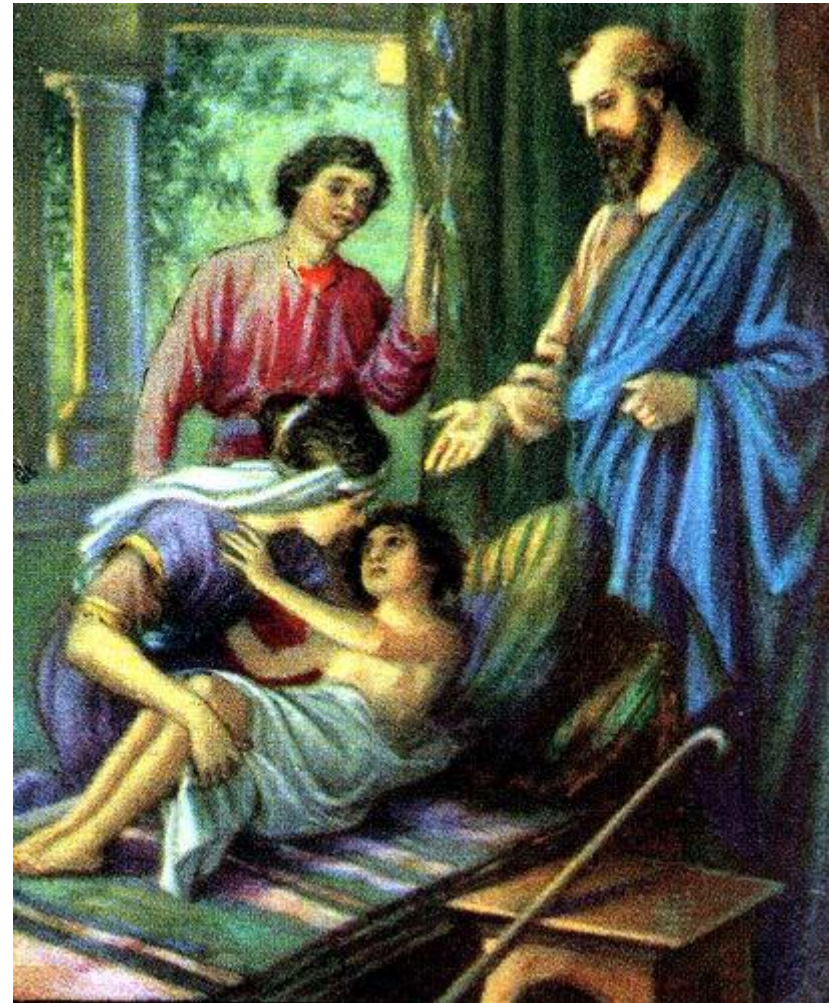

Watchman, what of the night? Watchman, what of the night? 12 The watchman said, The morning cometh, and also the night: if ye will enquire, enquire ye: return, come.

**Isaiah 21:13-17**: The burden upon Arabia. In the forest in Arabia shall ye lodge, O ye travelling companies of Dedanim. 14 The inhabitants of the land of Tema brought water to him that was thirsty, they prevented with their bread him that fled. 15 For they fled from the swords, from the drawn sword, and from the bent bow, and from the grievousness of war. 16 For thus hath the Lord said unto me, Within a year, according to the years of an hireling, and all the glory of Kedar shall fail: 17 And the residue of the number of archers, the mighty men of the children of Kedar, shall be diminished: for the Lord God of Israel hath spoken it.

**2 Chronicles 17:9** "They...had the Book of the Law of the Lord with them; they went throughout all the cities of Judah and taught the people." With the accession of Asa's son Jehoshaphat to the throne, a bright period of spiritual reformation commenced within the Southern Kingdom. We are given an account of his own relationship to God and the great blessing that came to him and his people as a result. Our highlighted text tells what made the big difference: Jehoshaphat had the Law of God made known throughout the land. The method adopted was teaching teams of priests, Levites, and his officials who traveled throughout the cities of Judah. The king put into practice himself, and by this method helped all his people put into practice the principle that the prophet Azariah taught Asa: believing that God was with the men and women who were with Him in obedient faith. This had an effect on their enemies round about by creating a dread in them to make war against Jehoshaphat's God and people, and a willingness to maintain cordial relations by giving tributary gifts. The king used that opportunity to strengthen his kingdom by building fortresses and store cities. This story has present value. No better service can be rendered to a nation

than by proclaiming the Word of the Living God to its people in every city and small town. By faithful proclamation people's hearts are turned to God by the power of His Word, and He will then do for them all that is in His heart with blessings that will flow throughout the nation.

**2 Chronicles 33:13** "Then Manasseh knew that the Lord was God." This is an insightful chapter about the two kings who followed Hezekiah: Manasseh and Amon, father and son. Both followed the way of wickedness. One under discipline repented and was forgiven; the other refused to humble himself and was cut off without remedy. The repentance of Manasseh was evidently the chief subject in the mind of the chronicler because God's response provides a clear picture of the divine character. Notice the highlighted text: *Then Manasseh knew that the Lord was God*, a reference to divine forgiveness and restoration in response to human prayer and repentance. The readiness of God to pardon is a picture of light and beauty in the midst of prevailing darkness, for the sins of Manasseh are grimly chronicled, but God is always gracious toward a truly penitent soul. To paraphrase Ezekiel 18:32, God has no pleasure in the death of a Manasseh, but declares instead Repent and Live! Nevertheless, if an Amon will not humble himself before his God, there is no escape from retribution for his sins. The rule of God is fixed in righteousness. Manasseh and Amon were both in His power. One found healing by yielding; the other found destruction by rebelling. By His readiness to forgive, God is known in all the fullness of His power. But men and women who refuse to learn that while they live will learn by His just judgments in His wrath.

### Guided Tour

This chart provides an overview of the historical and prophetic events that occur between Creation and Re-Creation. When the genealogical records and historical records given in Scripture are properly combined with the 18 prophetic time periods in Daniel and Revelation, the Bible suggests the time between Creation and Re-Creation is approximately 7,000 years.

When Adam and Eve lived in the Garden of Eden, they did not have to till the ground in order to survive. God cursed the ground on the day that Adam and Eve sinned (Genesis 3:17). After their expulsion from Eden, working the ground with "painful toil" became necessary to survive. Because of sin, God's seventh day Sabbath became a day of blessing, a day of physical rest. It also became a prophetic signpost pointing to His promise that one day man would re-enter His Rest, the Garden of Eden.

God uses the weekly cycle as a template for increasing the size of units of time. In Scripture, we find that a day of the week can represent a literal day, a month, a year, a week of years, 490 years (10 Jubilee cycles), and 1,000 years (10 centuries). Because a thousand years and 1,000 years (10 centuries) are a day, it is possible for the 1,000 years given in Revelation 20 to represent a millennial Sabbath rest for Earth (the land).

Notice the first signpost on the highway after Creation marks Noah's Flood (2368 B.C.) and the second signpost marks the year of the Exodus (1457 B.C.). God created a remarkable calendar at the Exodus called the Jubilee Calendar. It measures time according to a weekly cycle of seven years and seven weeks of years (49-year cycle). The 50th year of the outgoing cycle and the first year of the incoming cycle (the year of Jubilee) were the same year, always a "Sunday" year. While the Jubilee Calendar was in operation, God translated a "prophetic day" into a literal year.

Because Israel did not keep God's covenant, the land was taken from them in 605 B.C. Israel was exiled to Babylon for 70 years. During captivity, God promised (a) He would restore Israel to their homeland (fulfilled 536 B.C. - 2 Chronicles 36:21), and (b) Messiah would appear and die during the middle of the 70th week (fulfilled A.D. 30). The key to calculating Messiah's appearing is given in Daniel 9 as "7 and 62 weeks" (483 years). This language indicated a decree would be forthcoming that occurred at the beginning of a Jubilee cycle of seven weeks. This prophecy was fulfilled in the spring of 457 B.C.

Of the four decrees given, the third decree is the only one that aligns with a year of Jubilee. The death of Messiah in A.D. 30 also affirms the middle year of the 70th week. Many Christians believe that God ended the Jubilee Calendar at the cross. This is not possible for two mathematical reasons. First, if the death of Jesus terminates the 70 weeks prophecy, the

prophecy in Daniel 9 does not span a full 70 weeks. Second, if the death of Jesus terminates the Jubilee Calendar, the 70 weeks in Daniel 9 cannot be "cut out" of the 2,300 years in Daniel 8.

Revelation 12 indicates the great red dragon attempted to kill baby Jesus at birth. After failing to kill baby Jesus and keep Him in the tomb, the dragon persecuted the people of God. Eventually, ten tribal nations toppled the Roman Empire and in the process of rebuilding the empire, Justinian appointed the pope in A.D. 533 to determine who was an orthodox Christian and who was not. Three of the ten tribal nations were "uprooted" by A.D. 538 because they were not considered orthodox. The papacy ruled over Europe for 1,200 years (the Dark Ages). Napoleon broke the power of the Roman Catholic Church in 1798.

Notice that since 1929 the little horn power has rapidly grown in popularity. The deadly wound inflicted by Napoleon will be "healed" when the pope is selected by the world's political and religious leaders to lead a global endeavor to appease God's wrath. The dragon is preparing to make war on the remnant of the woman, those who keep the commandments of God and obey the testimony of Jesus.

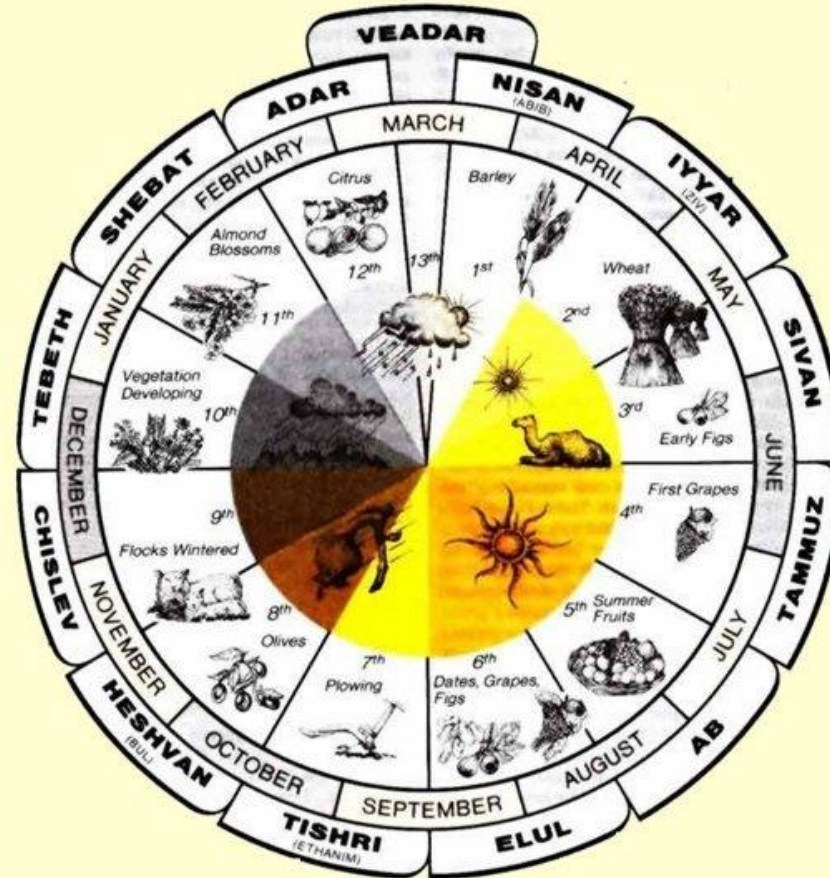

Returning to 1798, find the phrase: "The revelation of the Creator, Jesus Christ, begins here." Jesus was found worthy to receive the Book of Life in 1798. Thus far, He has broken three seals. The fourth seal is next and when it is broken, 25% of Earth's population will die as a result of the first four trumpets.

The Great Tribulation will begin with the sealing of the 144,000, this will be followed by the casting down of the censor in Heaven's temple, then the seven trumpets will sound. Notice the timing of each trumpet. Their purpose is to awaken the world to the sovereign authority of Jesus and His imminent return. During the Great Tribulation, the devil will work through the Composite Beast to persecute God's people. At the fifth trumpet, the devil will be permitted to physically appear. He will masquerade as Almighty God. During the Great Tribulation, the 144,000 will present four messages from God to the world. The timing and duration of each message is shown by colored bars.
